### Tabella miscelatore colori

La formula che appare su ogni colore indica 3 cifre:

La prima indica il numero di parti di colore nero.  
La seconda indica il numero di parti del colore desiderato.  
La terza indica il numero di parti di colore bianco.

### Table de mixage des couleurs

La formule apparaît pour indiquer la couleur sur toutes les 3 chiffres:

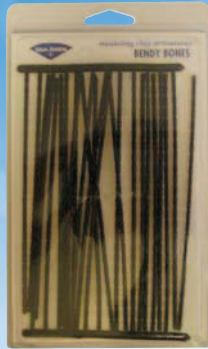

La première indique le nombre de pièces en noir.  
Le second indique le nombre d'actions de la couleur désirée.  
La troisième colonne donne le nombre de pièces en blanc.
