Carta Silkprint

Silkprint 35x50
Decoupage paper/ Papier pour découpage

CLASSIC - 35x50 cm

COD. QSIPR

Conf./Pack: Blister 10 fg./Sh.

Mis./Size cm: 35x50 - Gr: 25

Istruzioni per l'uso / Description: Per ottenere un'ottima resa della carta stendere una mano di colla per decoupage sulla superficie che si desidera decorare. Strappare il disegno che si desidera applicare in maniera da avere un contorno non definito.

ATTENZIONE

Non ritagliate la figura con le forbici, altrimenti il disegno risulterà, una volta applicato, troppo vistoso.

Ricoprite il disegno con un'altra mano di colla speciale, che in questo caso servirà da vernice protettiva.

To obtain a high yield of the paper apply a coat of glue for decoupage over the surface you want to decorate. Tear the drawing that you want to apply in order to have a non-defined outline.

ATTENTION

Do not cut out the figure with scissors, otherwise the design will be, once applied, too flashy. Cover the design with another special glue by hand, which in this case will serve as a protective paint.
